ph: (250) 305-1094

WLSA General Meeting MINUTES. Dec. 17, 2007.

Meeting started at 7:35 pm.

- Read minutes of last regular meeting. Accepted as read.
- Discussion not many deer anymore.
- Discussion about ATV use.
- Discussion nominations for AGM in Jan.
- Treaty negotiations are starting up again. Wayne doesn't think they really want to consult but just tell us what a good job they are doing for us.
- Report on Mt. Polley meeting in Likely. No one wants mine effluent in Hazeltine creek. Management talked about a swamp to polish effluent.
- Mike Chesley: New archery backstop isn't working that well. They think hang it so it will swing & absorb some energy from arrows.
- George: Was at BCWF Region 5 AGM. Mostly the executive stayed the same. WLSA can have 3 directors.
- Debbie Barron has a good start on the website. Go check it out <http://www.williamslakesportsmen.com/index.html>
- Core will be coming up. Fairly soon the manuals will be on the internet but will still have to go to an instructor for the exam.
- What can we do to get more members out to general meetings? Need to attract more groups example cadets. What do other clubs do?
- Lorne Barron (membership chairperson) wants as many email addresses of members so we can minimize costs of newsletters.
- Meeting adjourned at 9:05 pm.
